DOCTORS AWAKE

"Let us then be up and doing,
With a heart for any fate,
Still achieving, still pursuing,
Learn to labor and to [wake]"

Just a few more days and the men who represent the greatest professions on earth will join hand in hand in one common bond in what we hope to be our greatest convention. For what? To work, discuss, cuss and be cussed, and there's where the wisdom lies.

Here is the program. A complete plan of organization. We will have good speeches, good clinics and good times. As you know, Charlotte is the place to do it. Come on fellows and get in the swing.

Finally, doctor, before you lock your bag, see that your official program is on the inside. On to Charlotte, June 6, 7, 8th.

J. M. HUBBARD, D.D.S.,
President.

Medical and Surgical Clinics
7:00 to 9:00 A.M. daily.

Marshal forth your objections.
